## Independent Auditor's Report

The Board of Directors  
College of Southern Idaho Foundation, Inc.  
Twin Falls, Idaho

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the financial statements of the College of Southern Idaho Foundation, Inc. (the Foundation), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities of the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Note 1 - Principal Business Activity and Significant Accounting Policies****Organization**

College of Southern Idaho Foundation, Inc. (the Foundation) was established March 1, 1984, to solicit donations, and to hold and manage them for the exclusive benefit of the College of Southern Idaho.

**Basis of Accounting**

The Foundation's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

**Cash and Cash Equivalents**

The Foundation considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building project, permanent endowment, or other long-term purposes are excluded from this definition.

**Promises to Give**

Unconditional promises to give expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. The Foundation determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. At June 30, 2024 and 2023, the allowance was \$0. There were no promises to give as of June 30, 2024 and 2023.

**Property and Equipment**

Property and equipment additions over \$5,000 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statement of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. There were no depreciable assets meeting that criteria as of June 30, 2024 and 2023.

The carrying values of property and equipment are reviewed for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2024 and 2023.

### Charitable Gift Annuities

Under charitable gift annuity contracts, the Foundation receives immediate and unrestricted title to contributed assets and agrees to make fixed recurring payments over the stipulated period. Contributed assets are recorded at fair value on the date of receipt. The related liability for future payments to be made to the specified beneficiaries is recorded at using present value techniques and risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the liability. The excess of contributed assets over the annuity liability is recorded as an unrestricted contribution. In subsequent years, the liability for future annuity payments is reduced by payments made to the specified beneficiaries and is adjusted to reflect amortization of the discount and changes in actuarial assumptions at the end of the year. Upon termination of the annuity contract, the remaining liability is removed and recognized as income. The annuities payable balance is a result of gift annuities payable to a donor of the Foundation. The value of the annuity obligation was \$17,721 and \$19,595, at June 30, 2024 and 2023, respectively.

### Investments

The Foundation records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at fair value in the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

### Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for operations and future scholarships.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Foundation reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. The Foundation reports conditional contributions restricted by donors as increases in net assets without donor restrictions if the restriction and conditions expire simultaneously in the reporting period.

**Revenue and Revenue Recognition**

Revenue is recognized when earned. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received.

Conditional promises to give, that is, those with measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

**Donated Services and In-Kind Contributions**

Volunteers contribute significant amounts of time to the Foundation's administration, fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. Donated professional services are recorded at the respective fair values of the services received (Note 6).

**Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include donated salaries, office supplies, software fees and professional fees, which are allocated on the basis of estimates of time and effort, as well as donated space, which are allocated on a square footage basis.

**Income Taxes**

The Foundation is organized as an Idaho nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3) and qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(viii), and has been determined not to be private foundation under Section 509(a)(3). The Foundation is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Foundation is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. Management has determined that the Foundation is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Management believes the Foundation has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Financial Instruments and Credit Risk**

Deposit concentration risk is managed by placing cash, money market accounts, and certificates of deposit with financial institutions believed to be creditworthy. The Foundation maintains its cash in bank deposit accounts which exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor, per insured bank, for each account ownership category. At June 30, 2024 and 2023, the Foundation had approximately \$7,116 and \$1,578,854, respectively, in excess of FDIC-insured limits. To date, the Foundation has not experienced losses in any of these accounts. Investments are made by diversified investment managers whose performance is monitored by management and the Finance Committee of the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Finance Committee believe that the investment policies and guidelines are prudent for the long-term welfare of the Foundation.

**Subsequent Events**

Subsequent events have been evaluated through September 17, 2024, the date the financial statements were available to be issued.

**Note 2 - Liquidity and Availability**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$ 711,210	\$ 1,800,790
Operating investments	32,286,648	28,357,427
Endowment spending rate distribution and appropriation	<u>1,271,691</u>	<u>1,001,025</u>
	<u>\$ 34,269,549</u>	<u>\$ 31,159,242</u>

Endowment funds consist of donor-restricted endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

Donor-restricted endowment funds are subject to an annual spending rate of 4% to 5% as described in Note 4. As part of a liquidity management plan, cash in excess of daily requirements is invested in short-term investments, CDs, and money market funds.

**Note 3 - Fair Value Measurements and Disclosure**

The Foundation reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets that can be accessed at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to an assessment of the quality, risk or liquidity profile of the asset.

A significant portion of investment assets are classified within Level 1 because they are comprised of mutual funds, equities, and real estate mutual funds with readily determinable fair values based on daily redemption values. Certificates of deposit are invested and traded in the financial markets. Those certificates of deposit and U.S. Government obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates and market-rate assumptions, and are classified within Level 2.

College of Southern Idaho Foundation, Inc.

Notes to Financial Statements

June 30, 2024 and 2023

The following table presents assets measured at fair value on a recurring basis at June 30, 2024:

Assets	Total	Fair Value Measurements at Report Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

**Note 4 - Endowments**

The Foundation's endowment (the Endowment) consists of approximately 160 individual funds established by donors to provide annual funding for specific activities and general operations. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2024 and 2023, there were no such donor stipulations. As a result of this interpretation, the Foundation retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts) donated to the Endowment and (b) any accumulations to the Endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditures in a manner consistent with the standard of prudence prescribed by UPMIFA.

The Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

As of June 30, 2024, the Foundation had the following endowment net asset composition by type of fund:

	<u>Without Donor Restriction</u>	<u>With Donor Restrictions</u>	<u>Total Net Endowment</u>
Donor-restricted endowment			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ -	\$ 17,696,542	\$ 17,696,542
Accumulated investment gains	-	6,870,698	6,870,698
Endowment net assets, June 30, 2024	<u>\$ -</u>	<u>\$ 24,567,240</u>	<u>\$ 24,567,240</u>

As of June 30, 2023, the Foundation had the following endowment net asset composition by type of fund:

	<u>Without Donor Restriction</u>	<u>With Donor Restrictions</u>	<u>Total Net Endowment</u>
Donor-restricted endowment			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ -	\$ 17,106,670	\$ 17,106,670
Accumulated investment gains	-	4,888,673	4,888,673
Endowment net assets, June 30, 2023	<u>\$ -</u>	<u>\$ 21,995,343</u>	<u>\$ 21,995,343</u>

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The deficiencies of this nature are reported in net assets with donor restrictions and were \$52,584 and \$68,771, as June 30, 2024 and 2023, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new donor restricted contributions.

### Investment and Spending Policies

The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to scholarships and programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities. This is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 4% to 5%, while growing the funds, if possible. Therefore, the Foundation expects its endowment assets, over time, to produce an average rate of return of approximately 7% or greater annually. Actual returns in any given year may vary from this amount. Investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

The Foundation typically appropriates for distribution each year from 4% to 5% of its endowment funds' fair value at the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this target, the Foundation considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation. The Foundation expects the current spending policy to allow its endowment funds to grow at a nominal average rate of 2% or more annually. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Notes to Financial Statements

June 30, 2024 and 2023

Changes in Endowment net assets for the year ended June 30, 2024, are as follows:

	Without Donor Restriction	With Donor Restrictions	Total Net Endowment
Endowment net assets, July 1, 2023	\$ -	\$ 21,995,343	\$ 21,995,343
Contributions	-	647,990	647,990
Investment return, net	-	2,642,598	2,642,598
Amounts appropriated for expenditure	-	(718,691)	(718,691)
Endowment net assets, June 30, 2024	<u>\$ -</u>	<u>\$ 24,567,240</u>	<u>\$ 24,567,240</u>

Changes in Endowment net assets for the year ended June 30, 2023, are as follows:

	Without Donor Restriction	With Donor Restrictions	Total Net Endowment
Endowment net assets, July 1, 2022	\$ -	\$ 19,482,295	\$ 19,482,295
Contributions	-	1,387,000	1,387,000
Investment return, net	-	1,732,846	1,732,846
Amounts appropriated for expenditure	-	(606,798)	(606,798)
Endowment net assets, June 30, 2023	<u>\$ -</u>	<u>\$ 21,995,343</u>	<u>\$ 21,995,343</u>

**Note 5 - Net Assets with Donor Restrictions**

Net assets with donor restrictions are restricted for the following purposes at June 30, 2024:

Subject to Expenditure for Specified Purpose	
Scholarships	\$ 20,566,580
Special projects	537,059
	<u>21,103,639</u>
Endowment	
Subject to Foundation endowment spending policy and appropriation	
Scholarships	23,624,574
Agricultural programs	995,250
Underwater endowments	(52,584)
	<u>24,567,240</u>
Total net assets with donor restrictions	<u>\$ 45,670,879</u>

College of Southern Idaho Foundation, Inc.

Notes to Financial Statements

June 30, 2024 and 2023

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or other events specified by donor as follows for the year ended June 30, 2024:

Satisfaction of purpose restrictions	
Scholarships	\$ 1,566,534
Educational programs	<u>1,028,195</u>
	<u>\$ 2,594,729</u>

Net assets with donor restrictions are restricted for the following purposes at June 30, 2023:

Subject to Expenditure for Specified Purpose	
Scholarships	\$ 18,593,399
Special projects	<u>558,538</u>
	<u>19,151,937</u>
Endowment	
Subject to Foundation endowment spending policy and appropriation	
Scholarships	21,068,864
Agricultural programs	995,250
Underwater endowments	<u>(68,771)</u>
	<u>21,995,343</u>
	<u>\$ 41,147,280</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or other events specified by donor as follows for the year ended June 30, 2023:

Satisfaction of purpose restrictions	
Scholarships	\$ 1,726,156
Educational programs	<u>615,371</u>
	<u>\$ 2,341,527</u>

**Note 6 - Donated Professional Services and Materials**

Donated professional services and materials received during the years ended June 30, 2024 and 2023, are as follows:

	2024			
	Program Services	Management and General	Fundraising	Total
Salaries and benefits	\$ 72,502	\$ 145,007	\$ 217,510	\$ 435,019
Rent	3,486	4,263	6,395	14,144
	<u>\$ 75,988</u>	<u>\$ 149,270</u>	<u>\$ 223,905</u>	<u>\$ 449,163</u>
	2023			
	Program Services	Management and General	Fundraising	Total
Salaries and benefits	\$ 69,364	\$ 138,728	\$ 208,092	\$ 416,184
Rent	3,486	4,262	6,394	14,142
	<u>\$ 72,850</u>	<u>\$ 142,990</u>	<u>\$ 214,486</u>	<u>\$ 430,326</u>

The contributed salaries and benefits are valued and reported at the estimated fair value in the financial statements based on current rates for similar services. In valuing the contributed rent, the Foundation estimated the fair value based on recent comparable rent prices in the real estate market.

**Note 7 - Donated Property**

In July 1991, the Foundation received approximately 25 acres of agricultural land, which was to be restricted as Ag Endowment property. The Foundation had the right to sell the property as long as the proceeds were reinvested in similar farm land or an endowment was created with the investment earnings being used to provide agriculture related programs to the College of Southern Idaho. Subsequently, the Foundation sold the original 25-acre Ag Endowment property. The Board of Directors then designated approximately 40 acres of different farm land in lieu of the sale proceeds, allowing the Ag Endowment Fund to maintain its original intent of having agriculture related assets and programs. The fair-market value of the 40 acres of Ag Endowment Land was appraised during 2003 by a professional appraiser. The appraised value was a range of \$995,250 to \$1,393,350 "as is" in its current condition or \$2,388,600 to \$3,582,900 assuming a value as "commercial mixed use". The Foundation has chosen to maintain the land on the books at the lowest value determined to be reasonable given its current "as is" status being \$995,250.

**Note 8 - Related Party Transactions**

The Foundation provides scholarships to the College of Southern Idaho based on the terms of the donations. The Foundation provided scholarship support of \$1,755,791 and \$2,119,946, during the years ended June 30, 2024 and 2023, respectively, of which \$153,640 and \$192,591, was payable to the College of Southern Idaho at June 30, 2024 and 2023, respectively. The Foundation provided departmental and program support of \$920,547 and \$782,771, during the years ended June 30, 2024 and 2023, respectively.

Several members of the Foundation Board of Directors provided a donation to the Foundation. The Foundation received \$24,522 and \$27,911, in contribution revenue from Board members during the years ended June 30, 2024 and 2023, respectively.

The College of Southern Idaho provides donated office space, salaries, and benefits to the Foundation. The College of Southern Idaho provided \$299,893 and \$287,337, in donated office space and salaries and benefits to the Foundation during the years ended June 30, 2024 and 2023, respectively.
